Short Description
An Anguilla certificate of Good Standing is a requirement by financial institutions globally for an Anguilla company to open an account.

Description
An Anguilla certificate of Good Standing is a requirement by financial institutions globally for an Anguilla company to open an account.For a certificate of Good Standing to be acceptable by financial institutions, it must not be more than 6 months old in most of the cases. You may need to make this purchase if you are opening a bank account and your certificate of Good Standing is dated more than 6 months ago.

The Certificate of Good Standing contains the following information:

- Name of the company
- Date of incorporation/formation
- Registration number
- Authorized capital (for corporations)
- Directors/Managers of the company
- Officers of the company
- Shareholder/Members of the company.

Upon complete the payment, please send an email to documents@offshorecorpserve.com

and let us know the name of the company that you are requesting for the certificate of Good Standing.
